

Councillor Carl Les  
Chair  
Police & Crime Panel for North Yorkshire

9<sup>th</sup> February 2017

Dear Carl

**Precept Proposals for 2017/18**

Thank you for your letter of the 8th February, in relation to my proposed precept for 2017/18. I would like to thank both you and the Members of the Police and Crime Panel for your unanimous support of my proposal for an increase in the police element of the precept of 1.99%.

As you know, the public consultation played a large part in my decision. With a representative consultation showing that the North Yorkshire public were in favour of raising the precept (with 65% of over 1,500 residents wanting an increase of at least 1.99%), I was therefore comfortable proposing a precept increase to the Panel.

Having received your report, it is now my intention to proceed with the proposed increase and issue this as my precept for 2017/18. The issuing of this letter, in response to your report, concludes the scrutiny process for the 2017/18 precept and I will issue the precept under section 40 of the Local Government Finance Act 1992.

Yours sincerely

Julia Mulligan  
Police and Crime Commissioner for North Yorkshire
