Occurrences involving a person(s) with a mental health qualifier

- There are significant increases in occurrences with Mental Health tags in the last 4 months. This is in part due to increased tagging of these incidents, allowing for a better, more tailored approach in initial response.
- Incidents with a Mental Health tag have accounted for 10.5% of all incidents in the last 22 months

Use of police custody as a place of safety

Police custody must only be used for s136 MHA detainees in highly exceptional circumstances, e.g. genuinely unmanageable risks of resistance, aggression, violence or escape, or if also detained for an offence. We scrutinise every use of custody in these circumstances. Further details are included on the following slide.

Rural Task Force

Caring for the Vulnerable

“Down on the Farm” developed in collaboration with NHS Tees, Esk, Wear Valley Trust, Yorkshire Agricultural Society, NFU, NYCC, to increase self-referrals and awareness of mental health support and intervention available to those suffering with mental health issues in rural communities .

Rural Vulnerability forum being developed to address concerns about various aspects of vulnerability in the rural community, and how support can be given to rural victims.

Training around domestic abuse is being delivered to RSPCA partners in late October. This may lead to a roll out of similar training; nationally to the RSPCA, to other relevant partners, and on other areas of vulnerability.

Op Woollen, Op Woodchip and Op Crucible aim to provide proactive prevention advice to farms, businesses and historic assets at risk.

Property Marking Events are regularly held to provide reassurance and a deterrent against theft.

Ambitious Collaboration

National week of action on rural crime 6th-13th. NE Region activity coordinated by NYP, including activity from all seven NE forces, and agencies including the RSPCA, Environment Agency, Angling Trust and Natural England.

Operation Checkpoint will take place with seven other forces, and supported by Proactive Policing, NPT and Volunteers in NYP.

Local meetings with neighbouring forces occur monthly between PC's / PCSO's on area, and neighbouring force NPT's, to share intelligence and operational activity.

Op Owl conducted on the weekend of 21st / 22nd September with gamekeepers, NYMMO, NYMNPA, YDNPA, RSPB, RSPCA, raising awareness on bird crime. PS512 Grainger coordinated this nationally which involved 26 forces, resulting in over 7.5million social media interactions in the weekend.

Op Galileo is a national operation to tackle poaching, which involves collaboration with 12 other forces affected by poaching. This has developed a national plan to looking at prevention, intelligence and enforcement opportunities.

Work ongoing with partners to disrupt criminal activity of OCG's especially Existence, involving National Food Crime Unit and Trading Standards.

Reinforcing Local Policing

Identify and support local priorities including proactive patrol, in particular in response to recent issues in craven, Selby and Hambleton areas.

Op Extractor is an ongoing OCG management into group committing rural burglaries in the north of county. Recent arrests have been made, and prison visits are due to be conducted imminently.

Op Existence investigation into livestock theft and subsequent sale, OCG management and working with partners such as NFCU to tackle OCG. Recent arrests have been made in regards to this group.

Further arrests have been made in Cleveland, South Yorkshire and West Yorkshire recently, with officers proactively following up enquiries rather than waiting for neighbouring forces to act on information. This has also resulted in stolen property including quad bikes, motor bikes and agricultural equipment being returned to owners.

Enhancing Customer Experience

Mobile Rural Watches are now established in all districts of North Yorkshire, their activity being collated under Op Harvester. An event is scheduled for the 16th October in Thirsk to train and update some of the 200+ mobile rural watch PSV's. WhatsApp is being used to support these groups and has been successful in both gathering intelligence and providing reassurance to communities. This will soon be across all Watch schemes.

Numerous local events are still being attended on area, ranging from shows, to local marts, to farm open days, enabling contact, engagement with, and information flow between the tam and rural public. Recent events attended include Farm Open days, York Agri Mart and local shows.

Internal SharePoint and Intranet sites are up and running to communicate the work of RTF to police colleagues.
