# Aims – things we want to develop

**NORTH YORKSHIRE**  
FIRE & RESCUE SERVICE

- Raise awareness within employees to recognise the benefits and opportunities of collaboration through increased joint training
- Enhance exposure to community safety services work
- Improving the sharing of data and information across organisations
- Increase the number of shared estates
- Work more closely with partners to maximize opportunities
- Explore more involvement of the voluntary sector

**NORTH YORKSHIRE  
FIRE & RESCUE SERVICE**

## **Results – What we expect to achieve over the next 12 months (and beyond)**

- Continue to develop the potential of the shared support services (Enable)
- Deliver Safe and Well training to partners
- Develop and embed Public Safety Officers
- To use data more effectively to identify vulnerability
- Develop evaluation tools to monitor and measure our effectiveness
- Continue to build on our interoperability with other responders and Fire and Rescue Services
