Working to keep your community safe

Prevent Crime. Put Off Criminals. Protect Your Home.

We need to stop criminals seeing where you live as an easy target. That's why we secured nearly £430,000 to help protect your home, your family and your community.

Sign up today and you can get a free video door bell, home security survey – and we'll pay for the priority upgrades you need.

The money will also be used to put in place other measures to keep you safe and feeling safe.

"As your Police Fire and Crime Commissioner, I know that there is no greater priority than protecting your family, your home, and your community and, all too often, you may not feel you have received the support to enable you to do that.

That's why I am investing in your area with this project, to cut crime."
