RSM'S CONFORMANCE WITH THE IIA STANDARDS AND CODES OF PRACTICE

RSM UK Risk Assurance Services LLP commissioned an external quality assessment (EQA) of its internal audit services in 2021. An EQA is required every five years, in line with the requirements of the International Professional Practices Framework (IPPF) and the Standards set by the Global Institute of Internal Auditors (IIA). Our independent EQA reviewed our conformance with the IPPF Standards, the Public Sector Internal Audit Standards (PSIAS), Internal Audit Code of Practice on effective internal audit in the Private and Third sectors, and the Internal Audit Financial Services Code of Practice. We provide below our summary of the results for your information.

Review approach

Our independent EQA assessor, Grant Thornton has utilised its established assessment framework to review RSM's internal audit services in relation to vision and strategy, planning and prioritisation, people and culture, working practices, tools, quality and deliverables, and role and mandate.

Our EQA involved a review of a sample of 10 audit files and audit reports shared with audit committees as well as a review of our working papers. Our own internal audit methodology has been reviewed against both the Standards and Codes of Practice.

The review process also involved interviewing RSM partners, directors and managers, and to gather client views, our independent assessor set up and ran a client survey, enabling broader reach and to obtain input from a larger pool of organisations we work with. Thank you to everyone that took the time to share their thoughts and insights.

Key strengths observed in our EQA

From the assessment, the following key strengths were noted.

- A well developed methodology with good conformance with standards, supported by manuals and policies, which is 'well understood and applied consistently' across clients and regions. 'Audit engagements follow a clear structure, are well executed with adequate supervision.'
- 'Audit strategy, charter and plans are well developed for each client.'
- 'The audit reports reviewed were clear, concise and well written for the needs of RSM IA's clients.'
- 'RSM IA provides useful, value add thought leadership and benchmarking for its clients.'
- 'There is a strong focus in RSM IA on training and capability, resulting in good levels of competence and technical knowledge, supported by Subject Matter Experts and the Technical Team.'

EQA outcomes

We are pleased to confirm that based on the work undertaken and the sample of files reviewed by our independent EQA assessor, RSM UK Risk Assurance Services LLP 'generally conforms to the requirements of the IIA Standards' and that 'RSM IA also generally conforms with the other Professional Standards set out above and the IIA Code of Ethics. There were no instances of non-conformance with any of the Professional Standards.'

The rating of 'generally conforms' is the highest rating that can be achieved, in line with the IIA's EQA assessment model.
