### 2022

### 2021

#### Our top 3 property types continue year on year to be Residential:

1. House Single occupancy
2. Purpose Built Flat/Maisonette – up to 3 storeys
3. Self contained Sheltered Housing

Investigation of the information has highlighted a piece of work which links to protection in the categorization of whether the top 3 property types are commercial residential or domestic residential.

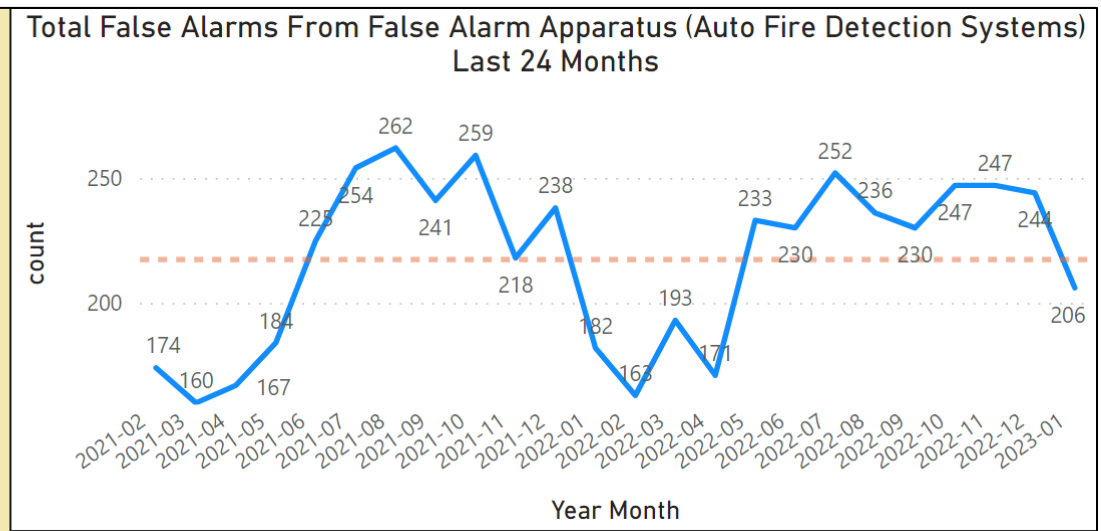

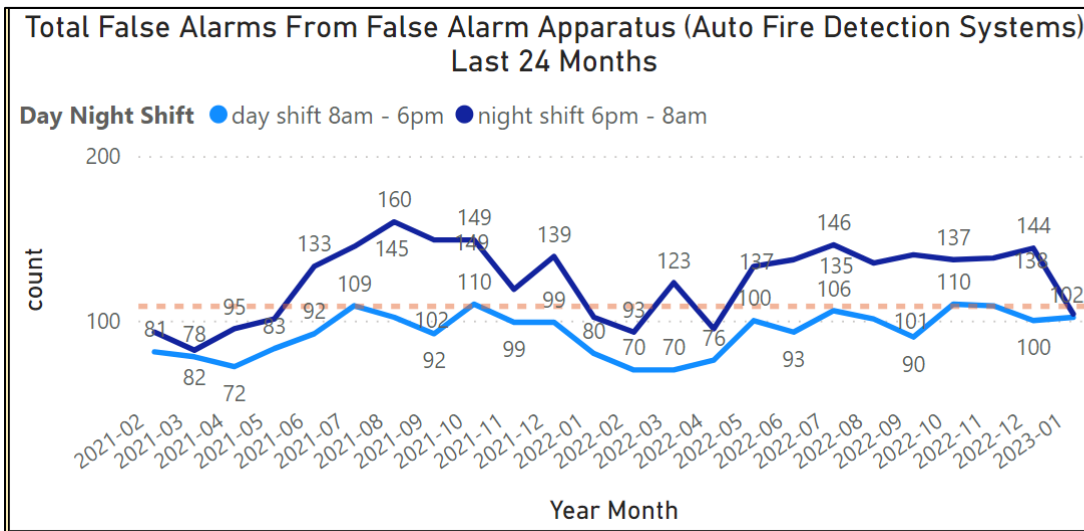

Linked to February's Pam meeting post incident engagement (every contact counts) will develop and increase our targeted prevention and protection work at the premises which have the highest count.

#### Non Residential Buildings:

- 48 out of the 289 are false alarm apparatus in places of education ( York and Scarborough have the highest count)
- 35 out of the 289 are false alarm apparatus in hospitals
- 60 out of the 289 are false alarm apparatus in Industrial manufacturing ( Hawes and Selby have the highest count )
