

THE CHIEF CONSTABLE OF NORTH YORKSHIRE

Notice of delay in publication of draft 2024/25 Statement of Accounts and in the commencement of the public inspection period

In accordance with the Accounts and Audit Regulations 2015, the Chief Constable of North Yorkshire is required to publish the draft Statement of Accounts for the financial year ending 31 March 2025 by 30 June 2025.

The Chief Constable's Statement of Accounts are linked with the Police and Crime Function within York and North Yorkshire Combined Authority and due to complexities in consolidating financial data across multiple systems and service areas to facilitate the first-year integration of Police, Fire and Rescue, and General Budgets into a single set of financial statements for York and North Yorkshire Combined Authority, there will be a delay in publishing this consolidated Statement of Accounts. Consequently, due to the potential impact of the consolidation process on the accounts of the Chief Constable of North Yorkshire there will also be a delay in publishing these draft accounts.

This in turn delays the period for the exercise of public rights as required by the Accounts and Audit Regulations 2015. The associated public inspection period for the 2024/25 financial statements cannot happen until the draft accounts are published.

The draft 2024/25 accounts and the notice of public inspection will be published as soon as reasonably practicable, following which the period for the exercise of public inspection will commence. Further notifications will be placed on the website once the 2024/25 draft Statement of Accounts is available for public inspection.
